Tiffany: I usually have prepared a summary of talking points on our DI activities and issues. It is much shorter than the attached version but hopefully you get the idea. The last page was what we had covered on enforcement and compliance.

Thanks, Douglas! If you have a moment, will you remind Gary and me on items that are usually covered during the report out? I'm still getting acquainted with these meetings.

Hi Tiffany: just a note that next Tuesday morning we should be prepared to report briefly on our respective UIC DI activities during the UIC program updates session in Pierre.

I should have something by Monday I can share with you so we at least give the appearance of having coordinated in what we share!

Thanks!
